

NOTES:

1. Why do evil spirits come back after being cast out, and bring more evil spirits with them?
2. Why can people only be one of the two: either belonging to God or to the devil?
3. Of the six woes Jesus pointed out for the Pharisees, which one do you most relate to?
4. Am I more concerned with being right with God or looking right to people?
5. Do I always show love and justice in my relationships and decisions?
